

Snowshoe Mountain, located in Pocahontas County, West Virginia, is the largest winter resort in the Mid-Atlantic and Southeast. Celebrating 35 years, the resort is comprised of two distinct mountains, both of which are accessible with one lift ticket. Snowshoe Mountain's main facilities are located at the top of the mountain, an elevation of 4,848'. Sixty slopes and trails provide skiers and snowboarders of all ages and skill levels an outstanding winter vacation experience.
